Headline:
Sunshine and showers.

This Evening and Tonight:
Showers fade through the evening leaving a largely dry night for most with clear spells, although southernmost areas may see more rain at times through the early hours. Northwest areas may also see fog over the Cambrian mountains this evening. Minimum temperature 12 deg C (54 deg F).

Monday:
Another day of sunny spells and widespread afternoon showers, these heavy at times and possibly thundery before easing into the evening. Breezy conditions throughout. Maximum temperature 20 deg C (68 deg F).

Outlook for Tuesday to Thursday:
Dry but cloudy for most on Tuesday with less frequent showers than recently. Cloudier Wednesday but staying dry before rain arrives overnight on Thursday. Dry conditions following this, feeling warmer.
